

Alkaff
BREEZE

**HDB'S SALES LAUNCH
FEBRUARY 2021**

ALKAFF BREEZE

Alkaff Breeze will be bounded by Upper Aljunied Road and Alkaff Crescent. This development comprises 3 residential blocks with heights ranging from 14 to 16 storeys. You can choose your home from 353 units of 4- and 5-room flats.

Adorned with lush landscaping, Alkaff Breeze takes its name from the green and comfortable living environment

designed for residents. You can look forward to a range of recreational facilities within the development, such as a playground for children and fitness stations for the adults and elderly. The roof gardens atop 2 of the residential blocks and Multi-Storey Car Park (MSCP) will serve as ideal spots for residents to unwind and relax. All residential blocks will be connected via sky bridges to the MSCP roof garden.

Families with young children will appreciate the convenience of having a childcare centre at a centralised location within the development. Please refer to the site plan for the facilities provided in the development. Facilities in this development will be accessible by the public.

Main transport nodes such as the Woodleigh and Bartley MRT stations, future bus interchange at Woodleigh Village, and shops/ facilities at Woodleigh Mall and Alkaff LakeView are also located in the vicinity. The adjacent common green (to the west of Alkaff Breeze) and nearby Bidadari Park/ Alkaff Lake provide additional recreational options for residents.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres, and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

To facilitate your flat application, we have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant authorities, such information is indicative only and are subject to review from time to time.

TOA PAYOH

- # Area occupied by former Mount Vernon Columbarium including the funeral parlours is earmarked for the developments in Bidadari Estate. Plans to relocate the niches have been announced by NEA on 28 Oct 2015 and the niches have since been relocated.
- + Designated park space that will be kept rustic and the landscaping will be kept as natural as possible.
- ** Part of the former Mount Vernon Columbarium site has been set aside for a new and modern Mount Vernon Funeral Parlour Complex (MVFPC).
- ## Alkaff Lake will also serve as a stormwater retention pond.

Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres, and schools may be upgraded or built with higher-rise blocks.
3. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage a ‘green’ lifestyle, Alkaff Breeze will have several eco-friendly features:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable products in the development
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes
