

**HDB'S SALES LAUNCH
FEBRUARY 2022**

DAKOTA CREST

Dakota Crest is located along Geylang River and the Geylang Park Connector. It is bounded by Old Airport Road, Jalan Enam, and Dakota Crescent. This development comprises 3 residential blocks ranging from 17 to 22 storeys. You can choose from 443 units of 2-room Flexi, 3-, and 4-room flats.

Dakota Crest's design is inspired by the blocks previously located at Dakota Crescent, paying homage to the previous estate through use of motifs, colours, and detailing in its facade and facilities. Facilities at Dakota Crest include a residents' network centre, a childcare centre, children's playgrounds, as well as adult and elderly fitness stations, some of which are set against the backdrop of Geylang River. The development will also come with a precinct pavilion and roof gardens located on top of the Multi-Storey Car Park (MSCP) and two of the residential blocks.

Artist's impression

Please refer to the site plan for the facilities provided in the development. Facilities in this development will be accessible by the public.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.
