

**HDB'S SALES LAUNCH
NOVEMBER 2021**

Artist's impression

HEART OF YEW TEE

Bounded by Yew Tee Close, Choa Chu Kang Street 62, and Choa Chu Kang North 6, Heart of Yew Tee comprises a 10-storey residential block that will be integrated with a 6-storey commercial block. Seniors aged 55 and above can choose a home from 68 units of 2-room Flexi flats offered on short leases between 15 and 45 years (in 5-year increments).

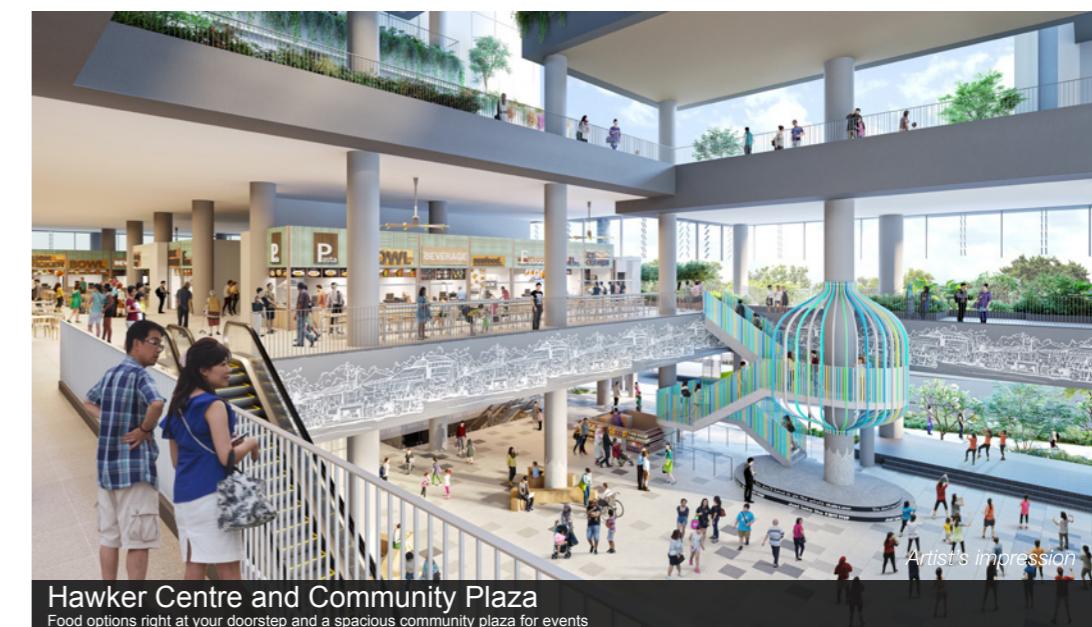

Heart of Yew Tee boasts excellent connectivity, as it is located right next to Yew Tee Point, and near Yew Tee Square and Yew Tee MRT station. The development is designed to maximise open space, with a wide range of facilities and communal spaces to foster social interaction and intergenerational neighbourly activity in the community.

Heart of Yew Tee will be set amidst lush greenery, with interlacing green decks weaved throughout the development. These decks, which will feature playgrounds and adult and elderly fitness stations, also serve to connect the development's residential and commercial blocks. The residential block features a series of garden terraces connected by open stairways that cascade down towards an expansive community plaza. The commercial block will add vibrancy to the area, housing a polyclinic, a hawker centre, a kidney dialysis centre, retail shops, and a community club.

Please refer to the site plan for the facilities provided in the development. Facilities in this development will be accessible by the public.

The indicative monthly Service & Conservancy Charges (S&CC) for the 2-room Flexi flats, payable to the Town Council is \$38.00.

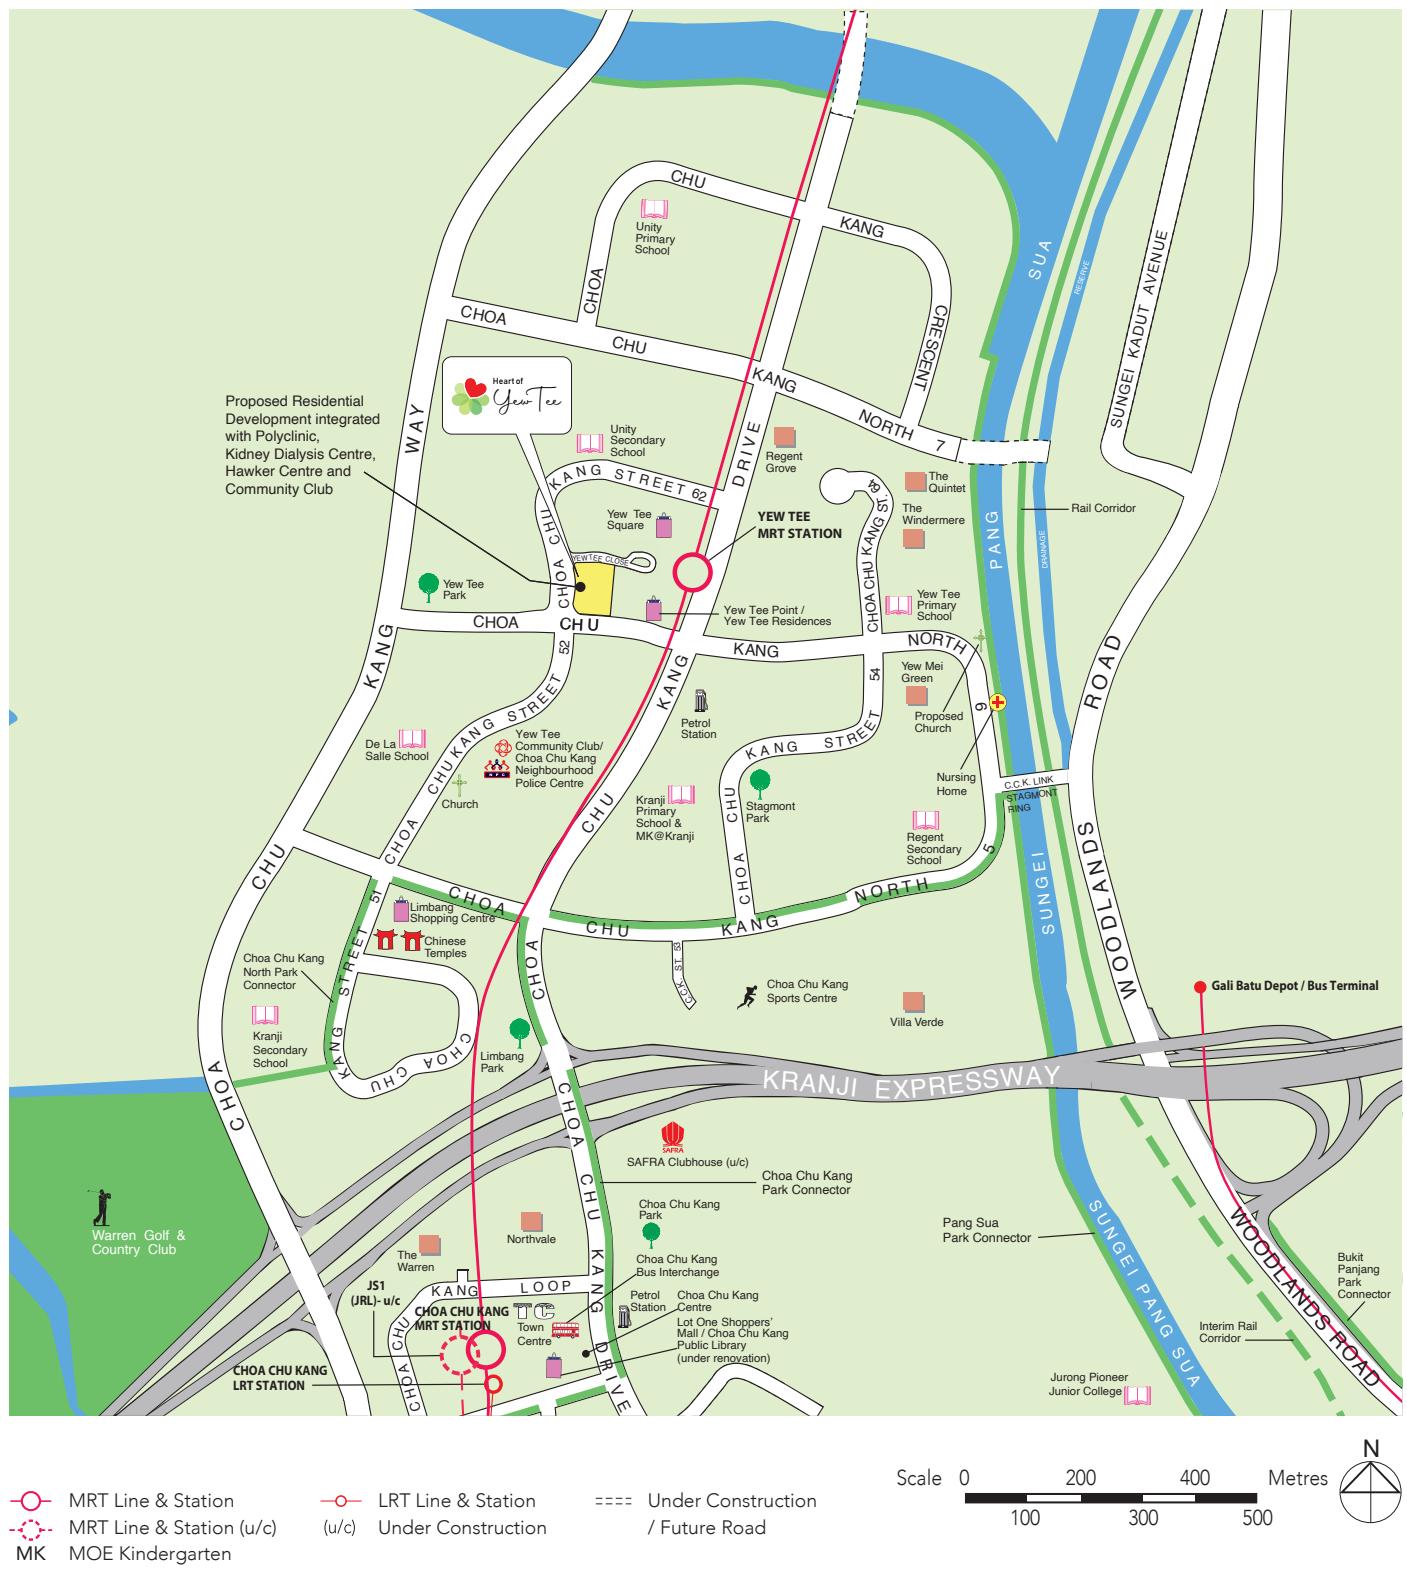

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.

CHOA CHU KANG

Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres, and schools may be upgraded or built with higher-rise blocks.
3. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Heart of Yew Tee will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electrical vehicle charging stations
- Use of sustainable products in the development
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

**SEPARATE CHUTES
FOR RECYCLABLE
WASTE**

**BICYCLE
STANDS**

**ABC WATERS DESIGN
FEATURES**

SMART SOLUTIONS

Heart of Yew Tee will come with the following smart solutions to reduce energy usage, and contribute to a more sustainable and safer living environment:

- Smart-enabled homes with provisions to support easy installation of smart systems
- Smart Lighting in common areas to reduce energy usage
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

- 3) The details of services in a flat, e.g. gas pipes, water pipes, sanitary stacks, electrical wiring, television points, data points, etc. are not indicated on the plans.

You are advised to visit HDB's website at www.hdb.gov.sg for information on renovation rules.

DISCLAIMER

- 1) HDB owns the copyright in all information, maps, and plans of this brochure.
- 2) The content provided in this brochure is not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only and are not statements or representations of fact.
- 3) Visual representations such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references are only artistic impressions. They are provided for your general information only, and are not representations of fact.
- 4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.
- 5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.
- 6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.
- 7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use, proposed facilities and their locations as shown in the maps and plans are indicative only and subject to change. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, and land used for non-residential purposes and hence, residents may experience higher noise levels.
- 10) We reserve the right to use or allow the use of any:
 - Void deck of any apartment block
 - Car park;
 - Common property (such as precinct pavilion); or
 - Standalone community building,for:
 - Future amenities/ facilities (such as child care centres, elderly-related facilities, education centres, residents' network centres, and day activity centres);
 - Commercial facilities (such as shops and eating houses);
 - Mechanical and electrical rooms; and
 - Such other facilities as we deem fit.
- 11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.

OPTIONAL COMPONENT SCHEME (2-ROOM FLEXI FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment.

The cost of the OCS items will be added to the selling price of the selected flat.

All 2-room Flexi flats come with:

- Floor finishes in the bathroom and kitchen
- Wall tiles in bathroom and kitchen
- Sliding partition/ door for bedroom, folding bathroom door
- Water closet suite in the bathroom

Grab bars will be installed for all short-lease flats to assist elderly buyers in moving around the flats

FOR ALL 2-ROOM FLEXI FLATS

PACKAGE 1

- Flooring in the living/ dining room and bedroom
- Sliding partition, separating the living room and bedroom

(please refer to the flooring and furnished floor plans of your selected project)

PACKAGE 2

- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

HOUSING &
DEVELOPMENT
BOARD

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY

PACKAGE 3

offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

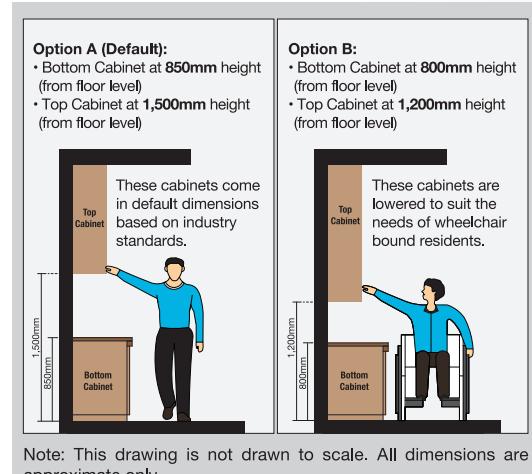

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

Note: This drawing is not drawn to scale. All dimensions are approximate only.

- Folding door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

Buyers who opt for Package 3 must select Package 1.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.
