

**HDB'S SALES LAUNCH
FEBRUARY 2023**

BTOgether

JURONG WEST CRYSTAL

Located along Jurong West Street 93, Jurong West Crystal comprises 2 residential blocks of 18 storeys. These blocks feature crisp vertical lines that resemble the edges of elegant crystals, giving inspiration to the project's name. Its name complements those of nearby projects such as 'Nanyang Emerald', 'Nanyang Ruby', and 'Jurong West Jewel'. You can choose from 271 units of 3- and 4-room flats.

Delight in outdoor fun at your doorstep, with fitness stations designed for adults and the elderly, and children's playgrounds. Unwind by strolling or jogging along the adjacent linear park, or head over to the nearby Yunnan Park and Jurong West Sport Centre. The roof garden above the Multi-Storey Car Park provides an area to step back and take a quiet moment.

An eating house, minimart, and shops will be conveniently sited within Jurong West Crystal. Please refer to the site plan for the facilities provided in the project. Facilities in this project will be accessible by the public.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.
