

**HDB'S SALES LAUNCH  
NOVEMBER 2021**

---

## KENT HEIGHTS

Located along Owen Road, Kent Heights comprises a sleek 32-storey high residential block served by an 8-storey Multi-Storey Car Park (MSCP). You can choose from 430 units of 2-room Flexi and 4-room flats.

Kent Heights will feature a 500-metre loop jogging track, children's playgrounds, as well as adult and elderly fitness stations for all to enjoy. Lush greenery will be woven throughout the development, including its central green and the rooftop gardens located on top of the precinct pavilion, entrance drop-off porch, MSCP, and residential block.

The development also comes with a childcare centre and residents' network centre. Please refer to the site plan for the facilities provided in the development. Facilities in this development will be accessible by the public.

## IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.
