MAY 2022**

KIM KEAT HEIGHTS

Bounded by Lorong 7 and Lorong 6 Toa Payoh, Kim Keat Heights comprises 2 residential blocks ranging from 27 to 36 storeys. Both blocks will house some rental flats. You can choose from 385 units of 2-, 3-, and 4-room flats.

The design of Kim Keat Heights will pay homage to Toa Payoh's heritage, using motifs and colours inspired by the iconic dragon playground located within the town.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.
