

Queen's Arc

**HDB'S SALES LAUNCH
AUGUST 2021**

QUEEN'S ARC

Queen's Arc is bounded by Queen's Crescent and Queensway Drive. You can choose from the 610 units of 3- and 4-room flats on offer, which will be housed in 2 residential blocks ranging from 23 to 39 storeys. Together with an additional residential block of rental flats, there will be 3 residential blocks in this development.

The residential blocks at Queen's Arc will curve along a series of landscaped trails designed to promote wellness. Along these wellness trails, you will be able to find pavilions, fitness stations, and playgrounds. Complementing these trails is a heritage trail designed to bring residents through the history of Queensway.

Artist's impression

Queen's Arc will be served by a Multi-Storey Car Park, which will feature a garden on its roof, and a community hub on the ground floor. The roof garden will come with adult and elderly fitness stations and a jogging loop, while the community hub offers a variety of facilities such as a childcare centre, an eating house, a minimart, and other shops. Other facilities at Queen's Arc include roof gardens atop each of the 2 residential blocks, as well as a residents' network centre. Please refer to the site plan for the facilities provided in this development. Facilities in this development will be accessible by the public.

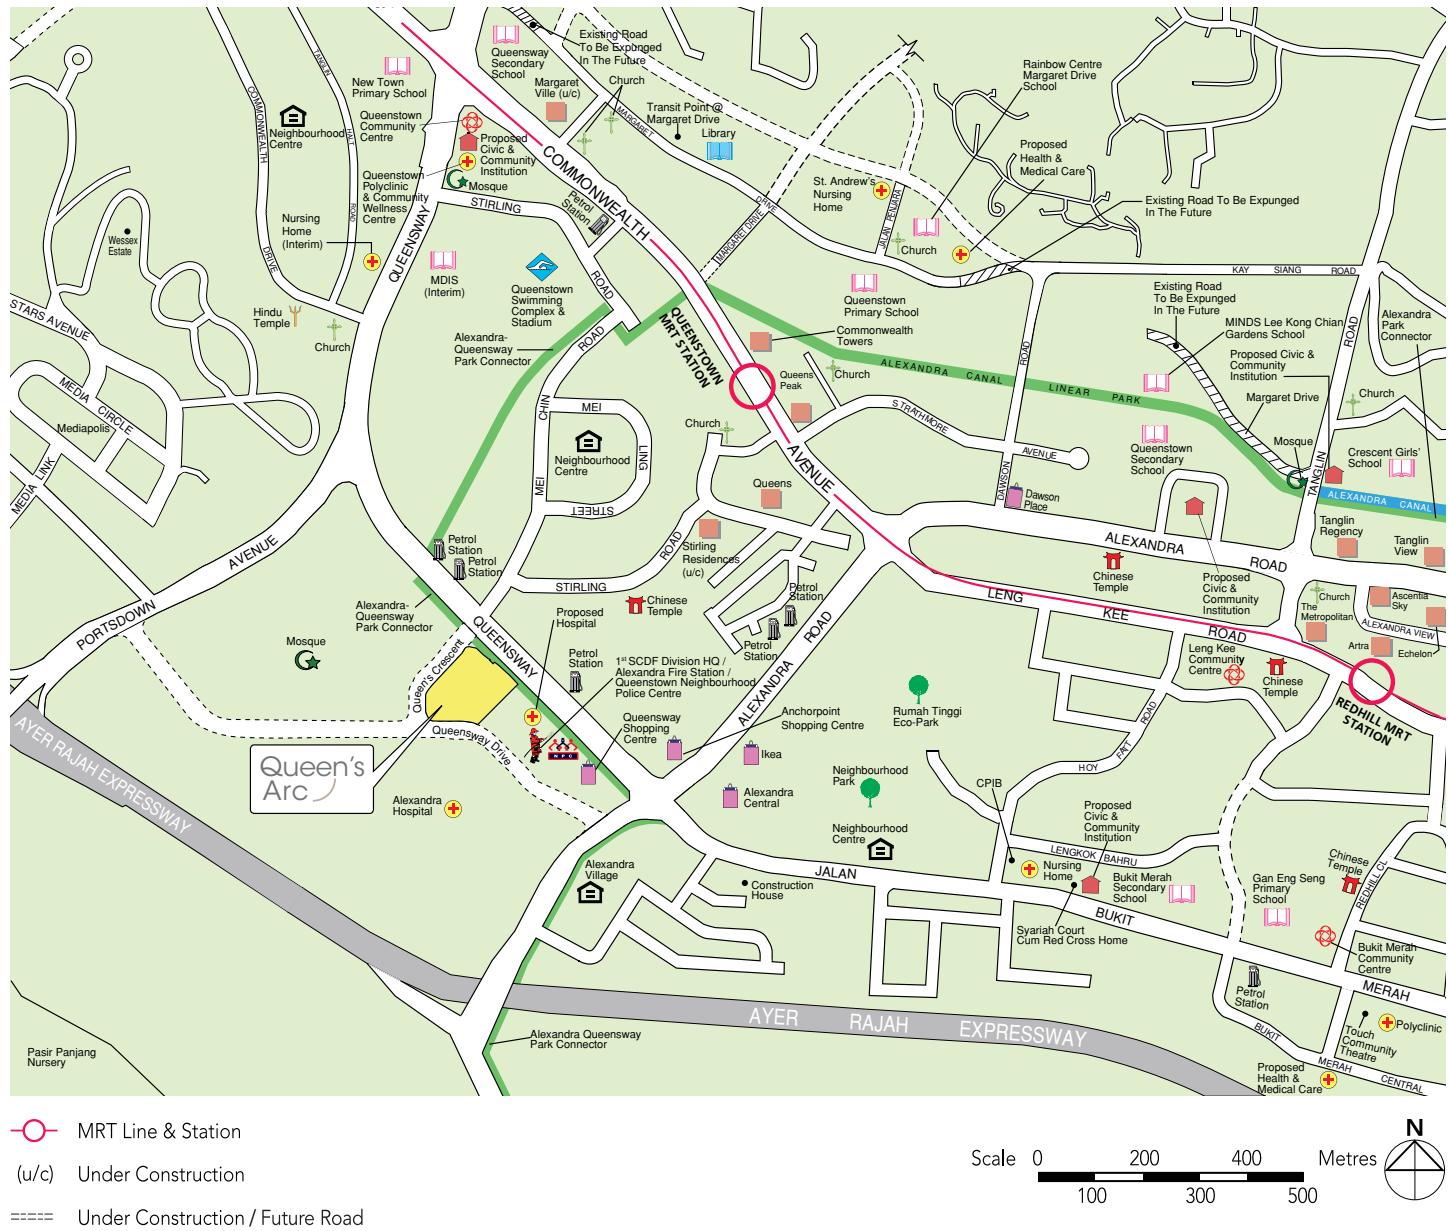

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

To facilitate your flat application, we have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant authorities, such information is indicative only and are subject to review from time to time.

QUEENSTOWN

Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. Proposed Civic & Community Institution includes examples such as Community Centre/Club, Association, Home for the Aged, etc.
3. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Nursing Homes and Eldercare Facilities, etc.
4. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres, and schools may be upgraded or built with higher-rise blocks.
5. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Queen's Arc will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electrical vehicle charging stations
- Use of sustainable products in the development
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

 - bathrooms
 - kitchen/ utility (3-room)
 - kitchen (4-room)

SMART SOLUTIONS

Queen's Arc will come with the following smart solutions to reduce energy usage, and contribute to a sustainable and safer living environment:

- Smart Lighting in common areas to reduce energy usage
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

OPTIONAL COMPONENT SCHEME

The Optional Component Scheme (OCS) is an opt-in scheme that provides convenience for our buyers. If you opt-in for OCS, the cost of the optional components will be added to the price of the flat. Please refer to the attached OCS leaflet for details.

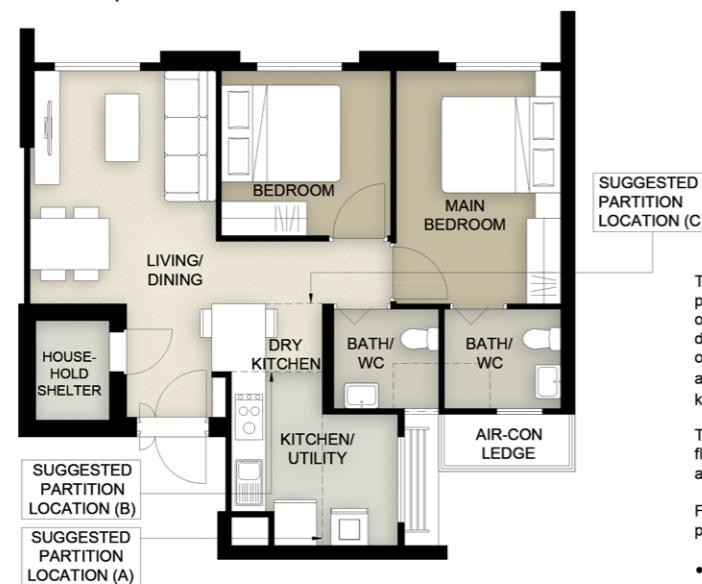

LAYOUT IDEAS

3-ROOM FLOOR PLAN

(With Suggested Furniture Layout)

Approx. Floor Area 69sqm

Inclusive of Internal Floor Area of 66sqm and Air-con Ledge

To cater to changing lifestyles and provide more flexibility in the use of kitchen space, HDB has designed the 3-room flats with an open kitchen concept comprising a dry kitchen and a combined kitchen/utility space.

The layout offers homeowners flexibility in configuring the area according to their preferences.

For example, you can add a partition to separate the:

- Utility from Kitchen (A)
- Dry and Wet Kitchens (B)
- Kitchen from Living / Dining area (C)

Artist's impression
