

**HDB'S SALES LAUNCH
NOVEMBER 2021**

*Artist's impression*

RIVER PEAKS I & II

River Peaks I and II are located along Kelantan Road and Weld Road, next to Jalan Besar MRT station and Sim Lim Tower. These developments are offered under the new Prime Location Public Housing (PLH) model. Find out more about the PLH model (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/new/plh>).

The names 'River Peaks I' and 'River Peaks II' reference the developments' location along Rochor Canal and their towering height. The two developments comprise a total of six 47-storey residential blocks, and one of these blocks will house some rental flats. You can choose from 960 units of 3-, and 4-room flats.

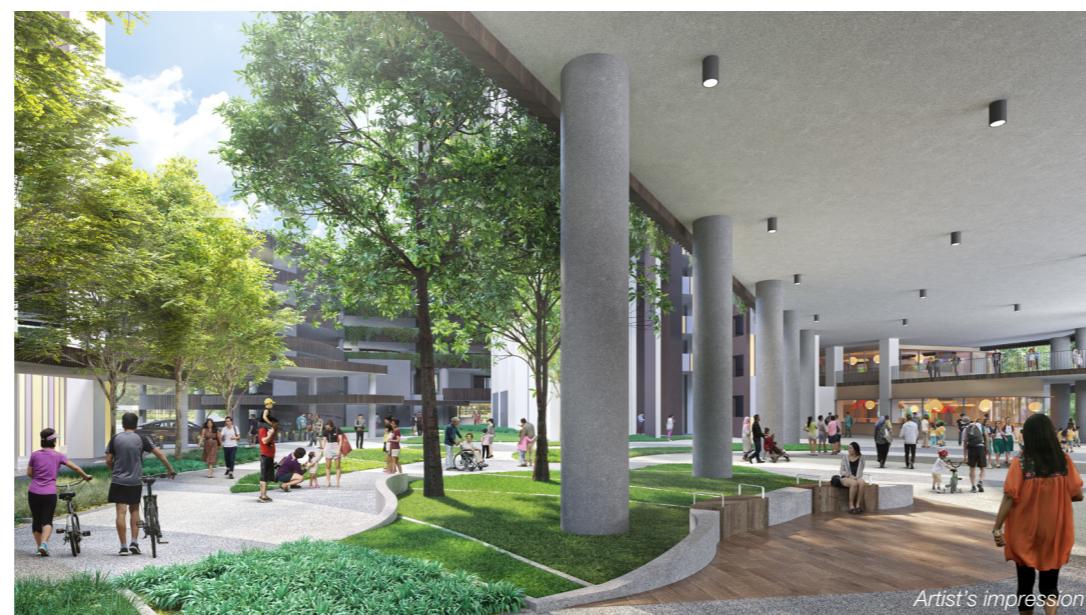

River Peaks I and II are envisioned as a green oasis at the canal's edge, housing a multitude of recreational facilities. For example, children can have fun at the playgrounds while adults get a workout at the adult and elderly fitness stations. Precinct pavilions and outdoor seats serve as ideal locations for you to gather and interact with neighbours. In addition, the sky terraces on the 27th storey of each residential block and roof gardens above the Multi-Storey Car Parks (MSCP) offer additional spaces for quiet respite. The roof gardens above the MSCP will be connected via an elevated pedestrian link bridge.

Daily conveniences are also within easy reach as River Peaks I will come with a supermarket, residents' network centre, elderly facilities, and childcare centre, while River Peaks II will come with F&B outlets.

Please refer to the site plan for the facilities provided in these developments. Facilities in these developments will be accessible by the public.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.

- 4) The details of services in a flat, e.g. gas pipes, water pipes, sanitary stacks, electrical wiring, television points, data points, etc. are not indicated on the plans.

You are advised to visit HDB's website at www.hdb.gov.sg for information on renovation rules.

DISCLAIMER

- 1) HDB owns the copyright in all information, maps, and plans of this brochure.
- 2) The content provided in this brochure is not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only and are not statements or representations of fact.
- 3) Visual representations such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references are only artistic impressions. They are provided for your general information only, and are not representations of fact.
- 4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.
- 5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.
- 6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.
- 7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use, proposed facilities and their locations as shown in the maps and plans are indicative only and subject to change. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, and land used for non-residential purposes and hence, residents may experience higher noise levels.
- 10) We reserve the right to use or allow the use of any:
 - Void deck of any apartment block
 - Car park;
 - Common property (such as precinct pavilion); or
 - Standalone community building,
 for:
 - Future amenities/ facilities (such as child care centres, elderly-related facilities, education centres, residents' network centres, and day activity centres);
 - Commercial facilities (such as shops and eating houses);
 - Mechanical and electrical rooms; and
 - Such other facilities as we deem fit.
- 11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.
