## SERANGOON NORTH VISTA

Serangoon North Vista is bounded by Serangoon North Avenue 1 and Yio Chu Kang Road. The project comprises 5 residential blocks that are 12 storeys in height. You can choose from 330 units of 4- and 5-room flats.

The name 'Serangoon North Vista' references the surrounding views and the project's prominent location.

Artist's impression

You can relax at the roof garden above the Multi-Storey Car Park or take a stroll amidst lush greenery along the central green. Get active or mingle with your neighbours at a variety of recreational and communal amenities, such as children's playgrounds and adult and elderly fitness stations. A childcare centre, residents' network centre, mini mart, eating house, and shops are conveniently located within the project.

Please refer to the site plan for the facilities provided in the project. Facilities in this project will be accessible by the public.

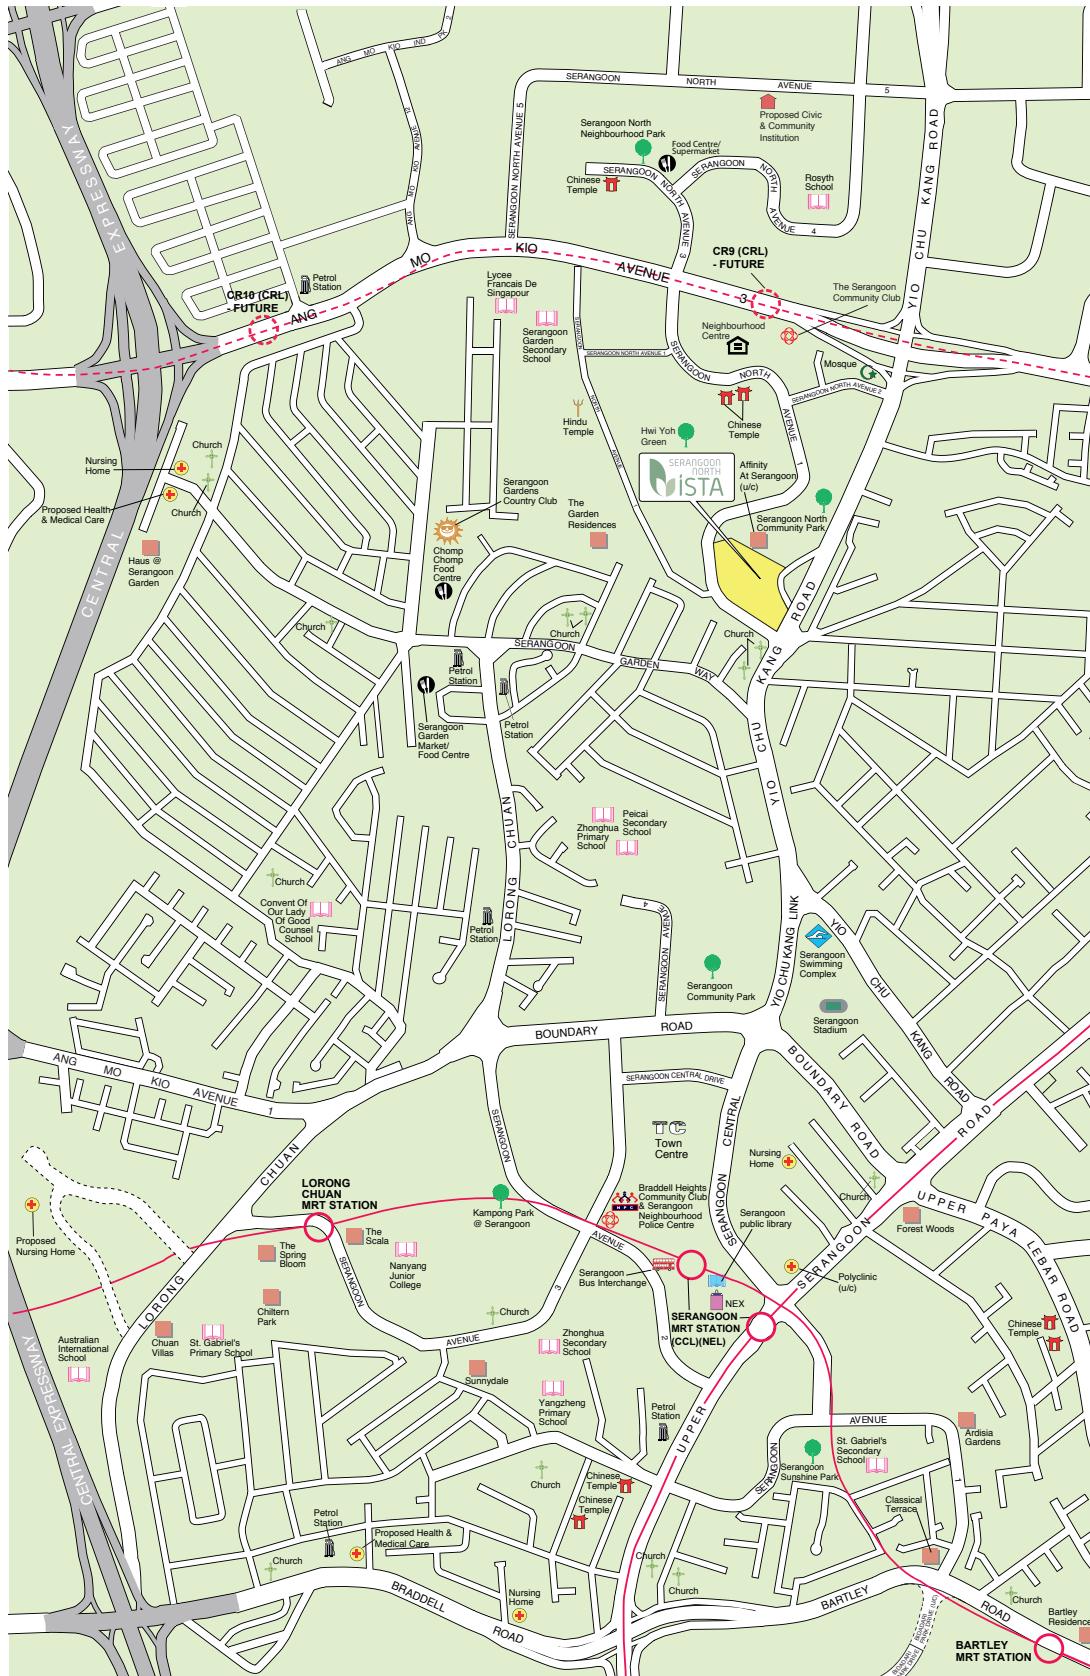

## IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. The information provided is indicatively based on the current planning intent of the relevant authorities and is subject to change from time to time.
